

CAMP PINE MOUNTAIN

Dear Fellow Scouter ,

Please accept this invitation to become a charter member of the Chattahoochee Scouting Alumni Group "Guardians of the Camps". The idea of the Guardians of the Camps was sparked around a fire at camp, where the competitive fast paced life we all live has a chance to slow down allowing suggestions to play in our mind. We all talk about ways to improve camp. Upgrades and maintenance needed cannot always find financial or labor support to happen timely, efficiently...or happen at all even with the best intentions.

The need to unite people who care deeply about our council's properties is key. Former camp staff and attendees, Wood Badge, Order of the Arrow, Scouting alumni, current Scouters, local business and foundations can now come together to support camp. All allowed to participate equally, united to keep our place special for youth to build core competency skills and experience degrees of independence and freedom as never before. We want you to have a pride in ownership. As a Guardians of the Camps you will be provided access in a very real, hands-on opportunity that fosters financial support, ongoing fellowship, and praise for collaborative action.

You can expect projects to be specifically designated by the Guardian members during an annual gathering at camp, financed through recurring giving, coming to fruition through fellowship weekends. Enclosed is a stewardship form to become a charter member of the Guardians of the Camps. **Dedicating twenty dollars a month gets you started.** Together we will identify specific projects to complete. While funding is important, work groups and skilled labor are just as valuable. Through our projects this complex and often chaotic world will continue to have a dynamic place where the spirit soars and laughter roars for our Scouting youth.

Thank you for considering this opportunity to return to that campfire gathering and sparking action.

Yours in Scouting,

Harlan Price
Guardians Chair
