Trick or Treat

- Join us for a night of fun as we treat the scouts to a night of treats with no tricks. We ask that each unit decorate one or two tables to participate in the one hundred years of Camp Pine Mountain Trick or treat. Bring your best Halloween decorations to trick out your table and participate in the Best Trick or Treat Station contest. Tables will be positioned on the activity field for unit volunteers to decorate and participate in the trunk or treat activity. Scouts will visit each table to collect tasty treats from the generous participants. Please sign up at check in to participate in the event. We will set up tables starting at 6:00 PM. Trick or Treat starts at 7 P.M. so please plan to have your table ready at that time. Please email scarlet.guzman@scouting.org with any questions.
